

# Missouri Special Education Annual Performance Report

(Reporting Period July 1, 2003 through June 30, 2004)

Part C of the Individuals with Disabilities Education Act

March 2005

Department of Elementary and Secondary Education  
Division of Special Education

# Part C Annual Performance Report

Introduction.....	3
Cluster Area CI: General Supervision (GS) .....	7
GS.I    The general supervision instruments and procedures (including monitoring, complaint and hearing resolution, etc.), used by the lead agency, identify and correct IDEA noncompliance in a timely manner. ....	8
GS.II   Systemic issues are identified and remediated through the analysis of findings from information and data collected from all available sources, including monitoring, complaint investigations and hearing resolutions. ....	17
GS.III  Complaint investigations, mediations and due process hearings and reviews are completed in a timely manner. ....	19
GS.IV   There are sufficient numbers of administrators, service coordinators, teachers, service providers, paraprofessionals and other providers to meet the identified early intervention needs of all eligible infants and toddlers and their families. ....	20
GS.V    State procedures and practices ensure collection and reporting of accurate and timely data. ....	26
Cluster Area CII: Comprehensive Child Find System (CC) .....	27
CC.I    The percentage of eligible infants and toddlers with disabilities that are receiving Part C services is comparable to state and national data for the percentage of infants and toddlers with developmental delays. ....	28
CC.II   The percentage of eligible infants with disabilities under the age of one that are receiving Part C services is comparable with state and national data. ....	35
Cluster Area CIII: Family Centered Services (CF) .....	38
Cluster Area CIV: Early Intervention Services in Natural Environments (CE) .....	42
CE.I    All families have access to a Service Coordinator that facilitates ongoing, timely early intervention services in natural environments. ....	43
CE.II   The timely evaluation and assessment of child and family needs lead to identification of all child needs, and the family needs related to enhancing the development of the child. ....	50
CE.III  IFSPs include all the services necessary to meet the identified needs of the child and family. All the services identified on IFSPs are provided. ....	54
CE.IV   If children are not receiving services primarily in natural environments, these children have IFSPs that justify why services are not provided in natural environments. ....	56
CE.V    Children participating in the Part C program demonstrate improved and sustained functional abilities in the areas of cognitive development; physical development, including vision and hearing; communication development; social or emotional development; and adaptive development. ....	59
Cluster Area CV: Early Childhood Transition (CBT) .....	62
